We need your assistance to expedite your order and assure the correct fabric identification. Please have your fabric distributor tag your shipment with the above C.O.M. number prior to shipment to ACF. This allows us to quickly match your fabric and order.

We MUST receive your order before we can start production. Therefore, it is important we receive your identified fabric in a timely manner. If you should have any questions, please do not hesitate to contact us.

******NOTE:** Repeat fabrics require additional yardage amounts over those reflected on our price list. (2" to 10" repeat add 15%, 11" to 20" repeat add 25%, 21" to 30" add 45%.) If we do not receive enough yardage we cannot complete your order as scheduled.
